- Incorporate environmental factors into business decisions.
- Increase employee awareness and training.

Paper

- We will minimize the use of paper in the office.
- We will reduce packaging as much as possible.
- We will seek to buy recycled and recyclable paper products.
- We will reuse and recycle all paper where possible.

Energy and Water

- We will seek to reduce the amount of energy used as much as possible.
- Lights and electrical equipment will be switched off when not in use.
- Heating will be adjusted with energy consumption in mind.
- The energy consumption and efficiency of new products will be taken into account when purchasing.

Office Supplies

- We will evaluate if the need can be met in another way.
- We will evaluate if renting/sharing is an option before purchasing equipment.
- We will evaluate the environmental impact of any new products we intend to purchase.
- We will favor more environmentally friendly and efficient products wherever possible.
- We will reuse and recycle everything we are able to.

Transportation

- We will reduce the need to travel, restricting to necessity trips only.
- We will promote the use of travel alternatives such as e-mail or video/phone conferencing.

- We will make additional efforts to accommodate the needs of those using public transport or bicycles.
- We will favor 'green' vehicles and maintain them rigorously to ensure ongoing efficiency.

Maintenance and Cleaning

- Cleaning materials used will be as environmentally friendly as possible.
- Materials used in office refurbishment will be as environmentally friendly as possible.
- We will only use licensed and appropriate organizations to dispose of waste.

Monitoring and Improvement

- We will comply with and exceed all relevant regulatory requirements.
- We will continually improve and monitor environmental performance.
- We will continually improve and reduce environmental impacts.
- We will incorporate environmental factors into business decisions.
- We will increase employee awareness through training.
- We will review this policy and any related business issues at our monthly management meetings.

Culture

- We will involve staff in the implementation of this policy, for greater commitment and improved performance.
- We will update this policy at least once annually in consultation with staff and other stakeholders where necessary.
- We will provide staff with relevant environmental training.
- We will work with suppliers, contractors and sub-contractors to improve their environmental performance.
- We will use local labor and materials where available to reduce CO2 and help the community.
